Trips are all located within walking distance from the camp location. Camp directors and most of daily staff are professional educators with university student education majors on staff as well. Campers typically visit the [City Place Farmer's Market](#), [FSU planetarium](#), the Frostburg fire department and City police department, and various local businesses to sample their products and learn what they do everyday. They also take part in the annual "[Pirate's Ahoy](#)" children's event at City Place in July.
