FROSTBURG, MD 21532

## E-Billing Enrollment for Tax Accounts

The City of Frostburg offers e-billing for City real estate tax and personal property tax bills. Enrolled customers receive an e-mail notification with a PDF image of their current bill as soon as the bills have been generated by the City. There are no mail processing delays and customers assist the City by reducing the costs for traditional printed bills. The e-bill email notifications will be sent from the email address of [no-reply@frostburgcity.org](mailto:no-reply@frostburgcity.org). Any billing questions may be sent to [cityhall@frostburgcity.org](mailto:cityhall@frostburgcity.org).

After enrollment, e-billing will start with the next regularly scheduled billing and will continue until the property owner requests e-billing to cease. Only one email address may be associated with each account, so e-billing is not appropriate for properties in which multiple bill copies are required. *Property owners are responsible for forwarding their tax bill to their mortgage company if property taxes are to be paid from escrow.* Please contact City Hall at 301-689-6000, extension 100 with any questions regarding tax billing.
